Subject: National Value Engineering Honorable Mention
Presented by AASHTO Value Engineering Task Force
Most Innovative Proposal During Construction
Route 133, Section 1A (Hightstown Bypass) East Windsor Township, New Jersey
Congratulations and Thank You

Dear Mr. Scagnelli:

As a follow-up to the New Jersey Quality Initiative Awards ceremony where you were recognized for your efforts, I am writing to thank you for your individual and team effort on this challenging Design/Build project. The successes which were realized were greatly influenced by your contribution.

Sincerely,

A handwritten signature in cursive script that reads "Richard Jaffe".

Richard Jaffe
Supervising Engineer
Value Engineering
